The cover page and the entire document must be sent at one time and it may only be sent once. If you are faxing multiple documents with multiple cover pages, you'll need to fax them one at a time as we are unable to process more than one document per fax.

Once your document is received, we may need up to 24 hours to process the document before you'll see the status of the document changed online. If you have setup an email address in the MLS system, you'll get a confirmation email once we've processed the document.
