THE #1 KELLER WILLIAMS TEAM IN NEW JERSEY team

Welcome to 146 Bernard Drive! This immaculate 4 bedroom, 3 1/2 bath Custom Built Home is located in the sought-after subdivision of Sherbrooke. Walking distance to Lyons Mall, the public pool, golf course and transportation to NYC, while maintaining the tranquility of its lovely setting. Drive down a beautiful tree-lined street to this stately Custom Home with stone paver walkway and picturesque front entry. Enter through the beautiful Glass Entry Door graced with sidelights. The high ceilings, gleaming hardwood floors and abundance of light are just a few of the magnificent details that grab your attention. Step into the grand Living Room featuring multi-story ceilings and an abundant floor to ceiling window with gorgeous arched transom. The open layout to the Dining Room, and easy access to the Gourmet Chef's Kitchen, makes this home perfect for grand parties or intimate gatherings with friends. The Family Room is an entertainer's dream with its stately fireplace with granite surround and floor to ceiling windows overlooking the picturesque setting outdoors. The Family Room opens to the Gourmet Chef's Kitchen, which will delight even the most sophisticated culinary artist. Crisp white custom wood cabinetry, black and grey countertops, and top of the line appliances all lend to the Kitchen's extraordinary style. The Breakfast Bar with seating for four and Breakfast Room with gigantic windows and sliding doors to the park-like backyard will make you linger over your morning cup of coffee. If work needs to be done, you can retreat to the sun-drenched, private Office with oversized windows, custom bookshelves and a beautiful built-in work space with drop down work station. A beautifully designed Powder Room and convenient Laundry Room round out this level.

But that's not all! There's a Main Level Master Bedroom Suite perfect for an in-law suite or au pair living quarters! The Master Bedroom #2 features a gorgeous cove ceiling, plenty of natural light and dual Walk-In California Closets both with dressing areas and complete organizational systems to ensure that nothing will be out of place! The spa-like Master Bathroom boasts a walk-in shower and enormous soaking tub! This area will allow your in-laws, or au pair, to have an abundance of privacy in their own fabulous living space.

When you're ready to retire for the evening, the grand staircase, beaming with multi-story ceilings and tons of natural light, leads you to the second level with 3 spacious bedrooms. The immensely private Master Bedroom Suite exudes comfort and style with a cove ceiling and designer wall covering. The Master Suite is also functionally designed with an enormous Walk-In California Closet/Dressing Area with custom cabinetry and a complete organizational system with open and closed shelving, drawers and shoe storage. You won't want to leave the spa-like Master Bathroom complete with sandstone tile floors, skylight, heated wall mounted towel rack, Jacuzzi soaking tub and walk-in steam shower. Down the hall, spacious Bedrooms 3 and 4 are steeped in sunlight, and have abundant closets – one with walk-in access to an enormous attic space! A gorgeous Jack-n-Jill Bathroom serves both Bedrooms.

And that's not all! The Lower Level is gigantic with normal height ceiling with rough plumbing in place for a bathroom and waiting to be your Recreation Area/Children's Playroom/Media Room. There's a Wine Storage Area with racks for over 1,000 bottles of wine! The stunning private and lush backyard features an enormous paver patio and bluestone grilling area is the perfect place for parties, al fresco dining, or spending time with family and friends.

This home is minutes away from transportation to New York City, fantastic entertainment, shopping and restaurants. This home is perfect in every way and won't last long! 146 Bernard Drive is a must see!
