Welcome to 303 Old Short Hills Road, set back on .71 private acres of mature landscaping. Architecturally distinctive and intriguing, the modern open floor plan creates a recipe for perfection. With tremendous curb appeal, the circular driveway and lines of the home provide a stunning first impression.

Enter the home and into the entry foyer where you catch your first glimpse of the open and airy floor plan. French doors lead you into the inviting living and dining rooms with large picture windows-truly bringing the outside in. Just steps away, the gourmet eat-in kitchen has all the amenities even the fussiest of chefs would appreciate. With Cherry cabinetry, granite counters, dining area and plenty of storage, this kitchen is sure to impress.

Once it is time to retire to bed, the southeast wing of this home is dedicated to the main sleeping quarters including the master bedroom suite. With double closets, full bathroom with radiant heat tile floor and jetted shower over jetted tub, it's easy to love. Guests and family will be pleased to find their own personal retreat in 3 generous-sized bedrooms, one bedroom with ensuite bathroom and an additional hall bathroom for added convenience.

The finished lower level of this home is complete with spacious recreation room with bar and sink, office, crafts room, and two storage rooms. There is also access to the over-sized 3-car garage with storage and workshop.

Outside, the secluded and private rear yard space is ideally suited for outdoor entertainment with Ipe wood deck, and cedar benches, fenced-in park-like area and an in-ground heated gunite pool. Vacationing at home has never been more relaxing.

It is not often that a home of this quality comes along. With little to do except bring your furnishings and personal touch, this is a fabulous opportunity to enjoy all Short Hills has to offer.
