## MLS # Bedrooms:

**Specifications** 

Nestled at the end of cul-de-sac 334 Cedar Grove offers the ideal location to call home. Walking up to the home you immediately notice the well manicured landscaping, which highlights the charm of this home. Stepping inside you notice how large the family room is, perfect for entertaining. Flowing through the family room into the updated kitchen you will find granite countertops, updated hardwood cabinetry and natural stone flooring.

Leaving the kitchen you will find a great full hall bath. It features, tile flooring, shower over tub stall- a great feature to the first floor and a rare find! The first floor also features two spacious bedrooms, sure to make over nights comfortable. Both bedrooms feature ample closet space and have great natural light.

Heading from the first floor to the second, you will find the other two bedrooms including the master. The spacious master features, wall-to-wall carpeting, deep closet, recessed lighting and great light. The other bedroom on this level features, wall-to-wall carpeting, recessed lighting and access to the storage room. Finishing out this level is a well-updated hall bathroom, featuring a huge glass enclosed shower, double wide vanity and tile flooring.

This great home also features a partially finished basement with laminate hardwood flooring, recessed lighting, and ample room to make it into what ever you desire. The unfinished part of the basement is great for storage and features the washer and dryer plus a sink for cleaning up any tough messes.
