Each Keller Williams office is independently owned and operated.

Welcome to 16 Oak Hill Road, a charming center hall colonial tucked away in the heart of the tree-lined streets of Glenwood in Short Hills. The appeal of the home is instantly apparent as you follow the brick paver walkway to the bluestone steps and then proceed on into the inviting Entry Foyer. Through the adjacent archway you'll find the open and airy Living Room that provides the perfect mood for entertaining family and friends in front of the large stone fireplace with its expansive mantel and intricately detailed cabinetry below. Continue on to the Sun Room where light streams through the windows while you enjoy the view of lush greenery and the inviting brick paver patio in the backyard.

Preparing meals for family and guests is a breeze in the remodeled custom designed Kitchen where granite counters and a stone tile backsplash accent the stainless steel appliances to perfection. You'll find plenty of storage in the attractive pantry wall and will love the convenience of the built-in granite pedestal table as you sit down for either a lingering meal or a quick snack. The adjacent Dining Room is ready to host your next dinner party in complete comfort and style. A conveniently located Powder Room completes the first level living space.

When its time to retire for the night, proceed upstairs to the second level where the spacious Master Bedroom and its en suite bath plus 2 additional bedrooms and a Hall Bath provide all the space you'll need for family and guests alike.

And there's more...in the lower level you'll find a Recreation Room with plenty of closet space that's ideal for family fun, a finished office serving as a quiet retreat for your work at home needs, a fully equipped Laundry Room and plenty of additional storage space in the unfinished Utility Room.

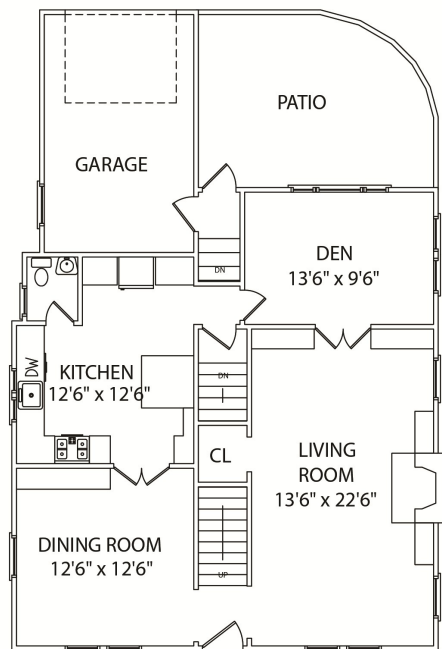

With it's sought after location, Blue Ribbon schools, easy access to NYC transportation, and world class shopping and restaurants, 16 Oak Hill Road is the perfect place to call home.
