

**Sue Adler**

February 5

Listing appointment challenge: I told them about my great referral network of agents across the country through use of social media, and they said "prove it", so I'm reaching out to you guys to help me prove it. :) I'll print this thread out for them. — in [Short Hills](#).

**Seth Campbell** Wow, from being inside the real estate industry it's almost comical to hear someone question Sue Adler's social media relocation ability. You're a national speaker on the subject. Literally one of the top five agents in the world in this subject. You are light years ahead of the rest of us and single-handily can out perform entire old school, old method relocation companies. I run real estate companies in Boston and D.C. and somehow you've managed to be the first agent of thought when someone has a client relocating to NJ. You have been called the Queen of social media for goodness sake!
