203 SINCLAIR PLACE
—
WESTFIELD

Welcome home to 203 Sinclair Place! It is not every day that a home this extraordinary, meticulously renovated by local award winner and master builder, Anthony James, comes on the market. This exquisite 4 Bedroom, 3 full and 2 half Bath home was renovated in 2012 from top to bottom to combine fantastic details with every modern amenity a homeowner desires. With a fabulous open floor plan, charm and beauty, 203 Sinclair is an absolute dream.

Stroll up the flag stone walkway to the vintage front door with wrought iron heart detail and step into the sunny and bright foyer with recessed ceilings, gleaming hardwood floors, detailed crown molding and stairs to the second level. Flow next to the large living room featuring a gas fireplace and white detailed mantel. To the right, the sun-drenched office/home work room is ready for you. This fantastic space features built-in desks and a window bench to relax on during meetings. As you walk back through the living room and down the hall you arrive to the dining room where there is a large window, hanging crystal chandelier and plenty of room for dinner parties. Across from the dining room is the second mudroom complete with built in floor to ceiling cubbies, hooks and a chalkboard wall. Easy access to the side of the house is found off of the mudroom. Flow easily from the mudroom to the gourmet chef's kitchen. Chic cabinetry, marble countertops, to-die-for island and so much storage. Enjoy your top-of-the line appliances (Wolf/Sub Zero/Miele) and a built-in desk with display cabinets.

The sunlight pours through this room while you enjoy the view of the flat, fenced-in back yard through the many large windows. The main mudroom is conveniently located off the kitchen and has a beautiful exposed brick wall and unique brick floor. A beautiful powder room completes this area of the home. When you are ready to retire for the evening, head upstairs to the spacious second level. Serenity and privacy abound in the Master Bedroom Suite featuring hardwood floors, natural light from the windows and a walk-in Closet so that everything can be neatly tucked away. The Master Bath is sure to impress with a crisp design and a dreamy soaker tub. Each of the three bedrooms on this level has a ceiling fan, large closets with built in organizers and an abundance of natural light. The full hallway bath has sleek white and black subway tiles throughout. Convenient Second Floor Laundry rounds out the Second Level. Looking for more space to entertain? Head up to the third floor and find an oversized great room ready for a pool table or a teenage hang out. Additional storage is found in the attic on this level.

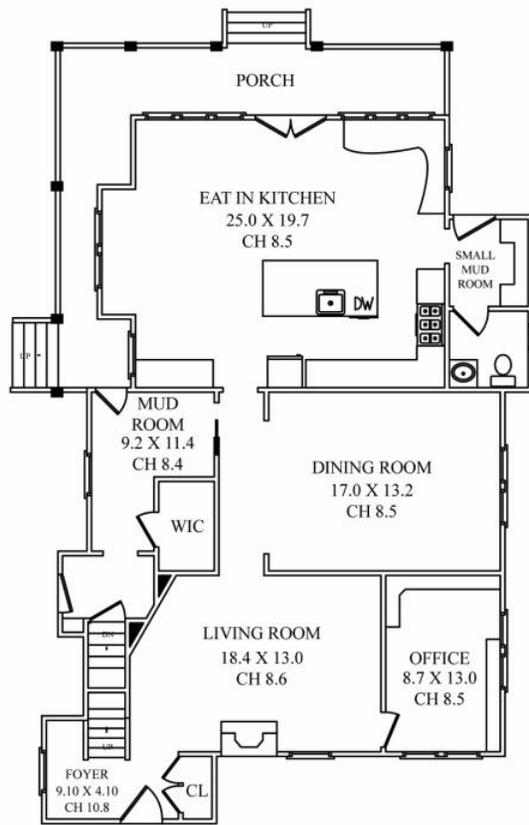

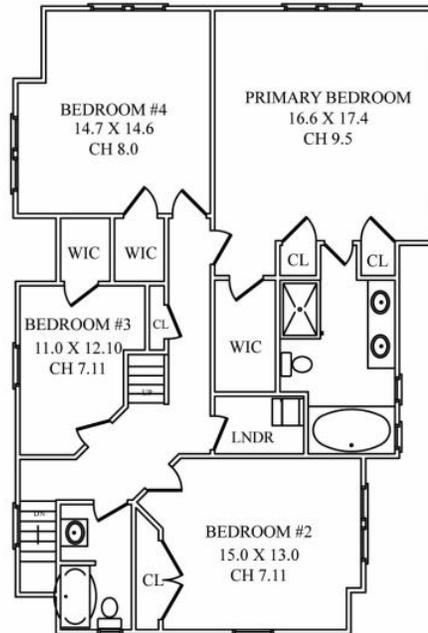

There is MORE... head down to the lower level for a large finished playroom complete with kitchenette ready for kids of all ages. Find lots of storage as well as another laundry room, adorable half bath and au pair suite complete with a large bedroom and a full bath.

Don't miss the back yard of the house with the gorgeous mahogany wrap around porch, flat backyard with a flagstone patio and mature landscaping. The detached two car garage is heated and has pull-down stairs that provide even more storage in the attic. Whether it's cocktails with friends or roasting marshmallows, 203 Sinclair's outdoor space will bring hours of enjoyment.
