

6 DEER RIDGE DRIVE HARDING, NJ

Welcome to 6 Deer Ridge Road! Soak up the view as you drive up a private road to your new home perched upon a mountain. This 5 bedroom, 4 full bath, 2 half bath oasis sits on 3.5 acres in desirable Harding Township. This intelligently designed home with a seamless open floor plan, perfect for entertaining, is ready and waiting for you to move right in. Classic siding, charming shutters and meticulous landscaping all contribute to the home's incredible curb appeal. Stroll up the front walk and enter through the covered entry featuring a welcoming front door with sidelites and transom and exterior stone façade. Step through the oversized entry door to the spacious two story, sunlit Foyer featuring hardwood floors, and a graceful staircase with dramatic chandelier leading to the Second Floor. Move into the sun-drenched Living Room boasting classic hardwood floors and crown molding . A graceful pass through French doors leads you to the classically decorated library featuring dark walnut wood paneling. Enjoy reading in front of the gas fireplace while gazing out the window and enjoying the view of the picturesque landscape. With eight bookshelves you are sure to find a spot for your favorite book. Pass by a tasteful half bath on your way to the Music Room. A perfect spot for your piano, this room also offers a built-in wet bar for your entertainment needs. The Great Room boasts soaring 20 ft. ceilings and is ideal for enjoying a movie by the fireplace or hanging out with the family. Natural light pours in through the two large, arched windows. You will also find access to the generous backyard patio through this room.

Dinner parties are a dream in the magnificent Dining Room featuring coffered ceilings, soothing hues and exquisite wainscoting. Flow into your Gourmet Eat-in-kitchen that is truly a work of art. Crisp white cabinetry with an enormous custom island, granite countertops, Viking and Sub Zero professional grade appliances and a large pantry make cooking a dream.

Storage abounds with extensive upper and lower cabinetry. For convenience there is a second half bath, laundry room, back staircase to the second floor and access to the three-car garage right off the kitchen.

When it's time to retire for the evening, the stately staircase leads you to the spacious second floor landing. Luxury abounds in the private Master Bedroom Retreat with vaulted ceilings and two of the BEST custom Walk-In California Closets. Enjoy curling up with a cup of tea by the fireplace in the sitting room. Next relax with a soak in the tub in the awe-inspiring Master Bathroom completely renovated with custom vanities, tile floor and oversized shower with glass doors. Four additional large-sized bedrooms, each sharing a newly renovated and reconfigured Jack-and-Jill bathroom, are steeped in sunlight and include fully custom California Closets organization systems.

And there's more...the massive Lower Level boasts a large recreation room, two spacious storage rooms, access to utilities, and the amazing Wine Room! This temperature-controlled room is to die for with cedar walls and shelves, pull out shelves, tile floor and space to hold over 40 cases of wine! The real star of this home is the outdoor, fully fenced-in oasis complete with your beautiful, heated in-ground pool and spa. Surrounded by custom landscaped perennial gardens, this expansive flat yard offers complete privacy from any neighbors. This truly is a home of your dreams. Just minutes away from top-notch schools, quality restaurants and NYC transportation, this house must be seen to be believed!
