SELLER'S PROPERTY CONDITION DISCLOSURE STATEMENT

© 2018, New Jersey REALTORS*

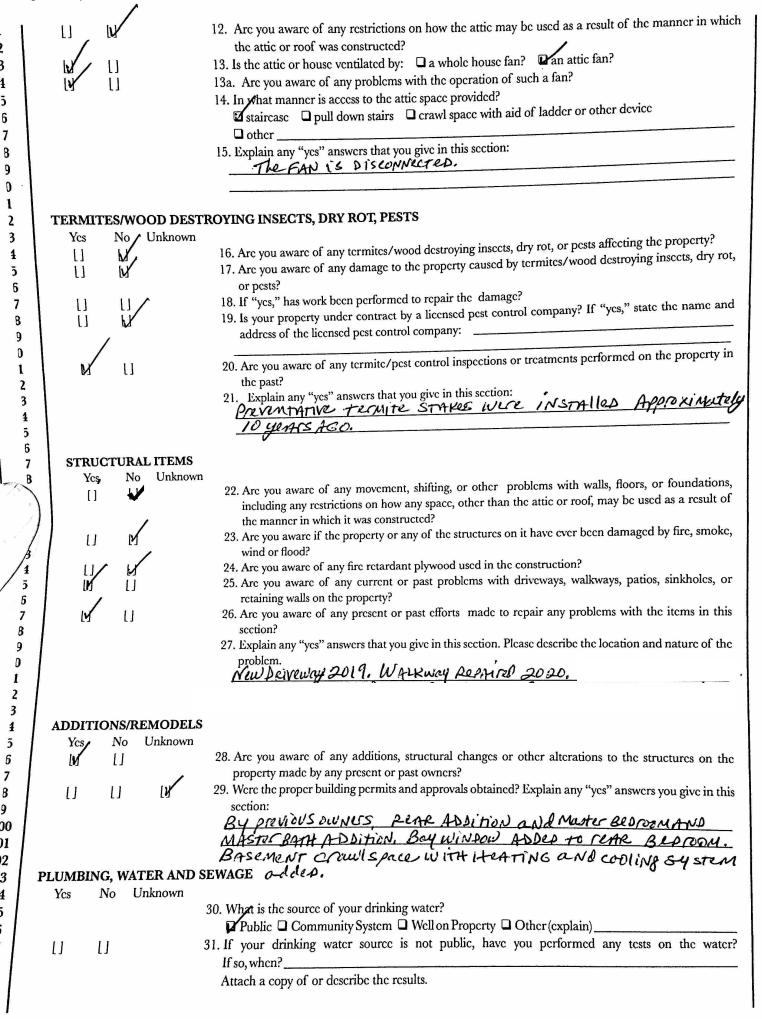

266 DALE DRIVE Short Hills, NJ 07078

FEIGELMAN, THEODOR

The purpose of this Disclosure Statement is to disclose, to the best of Seller's knowledge, the condition of the Property, as of the date set forth below. The Seller is aware that he or she is under an obligation to disclose any known material defects in the Property even if not addressed in this printed form. Seller alone is the source of all information contained in this form. All prospective buyers of the Property are cautioned to carefully inspect the Property and to carefully inspect the surrounding area for any off-site conditions that may adversely affect the Property. Moreover, this Disclosure Statement is not intended to be a substitute for prospective buyer's hiring of qualified experts to inspect the Property.

If your property consists of multiple units, systems and/or features, please provide complete answers on all such units, systems and/or features even if the question is phrased in the singular, such as if a duplex has multiple furnaces, water heaters and fireplaces.

RADON GAS Instructions to Owners

By law (N.J.S.A. 26:2D-73), a property owner who has had his or her property tested or treated for radon gas may require that information about such testing and treatment be kept confidential until the time that the owner and a buyer enter into a contract of sale, at which time a copy of the test results and evidence of any subsequent mitigation or treatment shall be provided to the buyer. The law also provides that owners may waive, in writing, this right of confidentiality. As the owner(s) of this property, do you wish to waive this right?
