94 NORTH HILLSIDE
Livingston, New Jersey

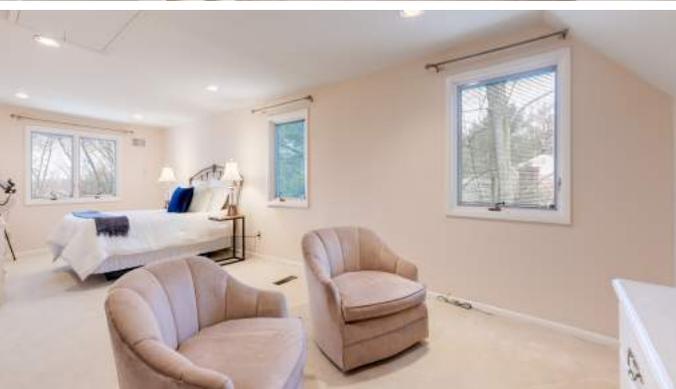

Looking for a cool vintage modern home with open and airy rooms, pretty views and tons living space and storage? Look no further than 94 N Hillside Avenue! Modern is back and this classic contemporary, with amazing flow and plenty of room to spread out, is an extraordinary opportunity to make this home your own. Close to shopping, dining, Riker Hill Art Park, houses of worship, downtown Livingston and top-notch schools, this is a special opportunity to own a spacious home in the highly desirable Riker Hill neighborhood! Drive up to find a maturely landscaped front yard with the added bonus of a circular driveway that offers plenty of parking. With its clean lines and crisp curb appeal, this home aims to please.

As you enter through the double front doors, the vaulted ceiling, hardwood floors and open and airy space are just a few of the magnificent details that grab your attention. Beauty and sunlight abound in the gracious Living Room with its stunning rustic brick fireplace, open glass shelves and a row of windows overlooking the picturesque property. Dinner parties are divine in the magnificent Dining Room with ample storage. The Dining Room flows seamlessly to the oversized, bright Kitchen that will satisfy any cook. Custom wood cabinetry, granite countertops, a large island, and sunny breakfast area all lend to the Kitchen's style. Open to the kitchen is the large Family Room which is perfect for gatherings or relaxing after a long day. And with double sliding doors leading out to the Deck, indoor/outdoor entertaining is seamless.

When it's time to retire for the evening, stroll up the staircase to the Private Primary Suite. With 2 Custom Walk In Closets, Custom Built Ins and its own Dressing Room, this space offers unlimited possibility to be the ultimate retreat. The Primary Suite boasts 2 roomy and well-appointed Full Baths so there is no sharing a bathroom! Walk up a separate staircase on the other side of the home to find a completely separate Second Level with 2 fabulous bedrooms with tons of closet space. This level also boasts tons of storage with a large Walk In Closet and Linen Closet. A Full Hallway Bath with a double vanity rounds out the Second Level. For an added bonus, Bedroom 3 can easily be converted to two separate rooms as it was in the past.

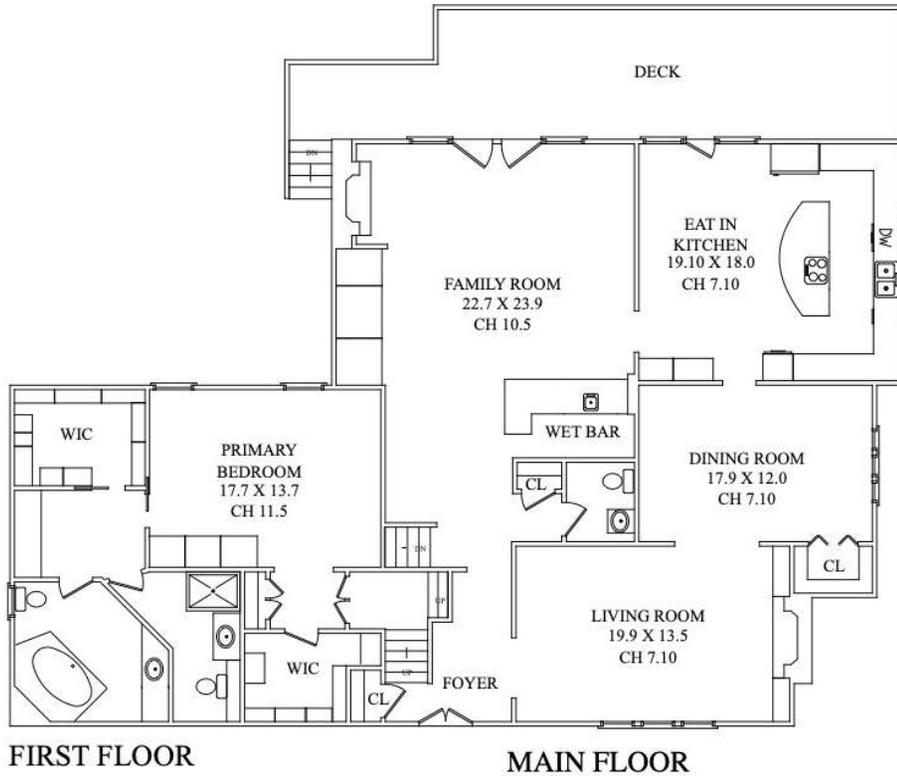

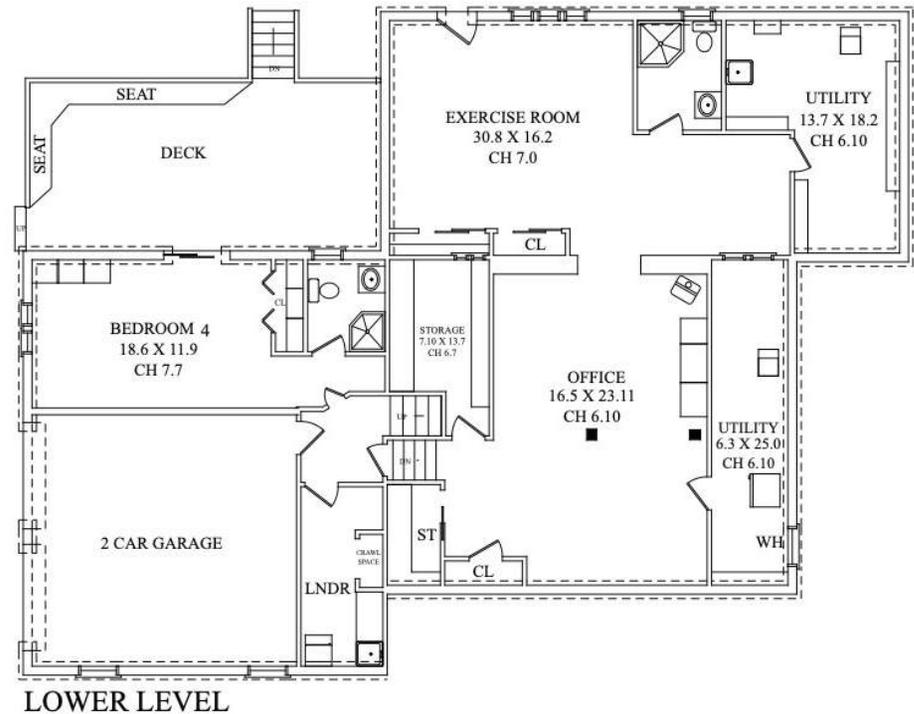

And there's more! The Lower Level is ENORMOUS and includes plenty of additional, functional living space. First, don't miss Ensuite Bedroom 4 with its own separate entrance, a Custom Built In, Full Bath and lower level deck. This Bedroom would be fabulous for multi-generational living, visiting guests or a live-in au pair. Down the hall, you'll find a convenient Laundry Room with tons of storage. The lower level also boasts a large area perfect for a Recreation Room and/or Children's Play Room. Working out is a dream in the spacious Exercise Room with its own separate entrance. A Full Bath and TONS of storage round out the Lower Level.

With its incredible neighborhood, Blue Ribbon Schools, proximity to New York City and convenience to fantastic shopping and restaurants, 94 N Hillside is the perfect place to call home.

THE FLOORPLAN

** Please note, Bedroom 3 previously was two separate rooms and can easily be changed back by the buyer
