

**Dear Future Homeowners,**

From the moment we stepped inside, we knew this house was special—it felt like home instantly. Over seven years of careful renovations and updates, the house flourished and gained many of the features we desired. Over the years, we continued that journey, completing additional renovations, additions, and upgrades to fully realize our vision of a dream home.

Paired with this incredible neighborhood and all it has to offer, our dream house truly became our dream home. It has been the backdrop for countless unforgettable moments—family visits, celebrations, laughter, and memories that we will cherish forever.

The sense of community here is something truly rare. We hosted many parties, family gatherings, and spontaneous neighborhood get-togethers—sometimes simply because it was a beautiful day or evening. Neighbors look out for one another, lend a hand when needed, and create an environment where home feels bigger than just four walls. It's a place of comfort, connection, and belonging.

This home has meant everything to us, and leaving it is bittersweet. However, life continues to evolve, and becoming grandparents has been one of our greatest joys. As our family grows into its next generation, it's time for Grandpop and Ama to move closer to our children and grandchildren.

While we are sad to say goodbye, we are excited for the next family who will walk through these doors and feel what we felt—that this is more than just a house. It's a home.

With warm wishes,

**The Current Owners of 33–35 Madison Ave**
