

*Dear Future Homeowners of **34 Arnold Drive**:*

Welcome to our home! We moved here in 2002 from East Hanover for Randolph's outstanding school system and for more space for our growing family. We indeed raised our three children here in this wonderful community through their middle, high school and college years. Now they are all married and have blessed us with grandchildren. So it is time for us to leave this stage of our lives and leave this home for another beautiful family.

We have created so many special memories in this house... please allow us to share a few of our highlights:

- *Our Great Room was indeed "great" for each one of us: Our kids placed their laptops here and did their homework and played their video games in this room. We parents hosted so many fun Super Bowl parties and Game Nights in this large room for our friends.*
- *Our Kitchen area, where our family conversed over many meals, and our Family Room receive so much sunlight during the day and warmth during evenings with the coziness of our fireplace.*
- *Our Guest Room was perfect for whenever our In-Laws visited us, being situated right next to a full bathroom and our kitchen. They often remarked that they appreciated their "Guest Suite" when you consider their close access to our Great Room as well.*
- *The onset of Covid in 2020 ushered in a greater acceptance for corporate employees to "work from home". Our outdoor Gazebo soon became a pleasant alternative office space for us... in addition to enjoying many BBQ lunches there. And what's better than hearing the calming flow of our beautiful water fountain to relax after a busy day and stimulate reflection?*
- *Finally, our kids had such an awesome time sledding down our backyard slope whenever it snowed more than 3 inches. ☺*

May you indeed find the home you are looking for. We were here for 24 years and have enjoyed every moment of our time here.

P & J
